

Hi my name is Stephanie and I attend Cal State University at Northridge. I am Majoring in Family Consumer Sciences.

I have a little, itty, bitty doggy named Mickey (after the mouse) and I love, love, love him!

This is my second year being the head coach for SOS and I really am enjoying working with all of you and the coaches too!

I know we're going to have a really fun season and I am excited for it!
